December proved to be a winter month in reality and the few fine days at the beginning of the new year were appreciated.

There is a great shortage of tie makers here. It seems they could do well here as most everyone is inquiring for them and can't find them.

How about those good resolutions made New Years, will they be kept or will they be shattered even as some of our fondest hopes often are?

We had a couple of days of balmy weather, just enough to make a fellow feel that winter was over, and here we are again all done up in sleet and ice and hardly enough wood to keep from freezing.

There was a pie supper at Dewey Grove school house Saturday night. There was a small crowd on account of other nearby attractions, but the receipts were \$18. A good time is reported.

The teams have had to stop hauling ties on account of slippery roads. Garber is pretty well filled up with ties until the company loads out. It is expected this company will open up again soon as they have several thousand acres of timber land in Stone county.

Probably the greatest coffee substitute yet produced is that now known to grocers everywhere as Dr. Shoop's health coffee. It actually goes a third farther than all others, and besides it is "made in a minute." No 20 to 30 minutes tedious boiling is at all necessary. Pure toasted grains, malt, nuts, etc. have been so cleverly blended as to give a wonderfully satisfying true genuine coffee flavor and taste. And not a grain of real coffee is used. 100 cups, 25c. If your stomach, heart, or kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell Sold by City Drug Store.

THE BEST YET.

The coming year is Campaign Year, and it is going to be a warm one. No voter can act intelligently unless he is informed, and there is but one way to get reliable information and that is through the newspapers. We are at present able to make such a good subscription offer that there can be no excuse for anyone being without plenty of papers. Here is our offer:

The Taney County Republican, per Year \$1.00

Pay any time during the year.

The Republican and Kansas City Weekly Star \$1.00

Must be Paid one full year in advance.

The Republican and 2-a-week Globe-Democrat \$1.25

Must be paid one full year in advance.

Or all three papers for one year for only \$1.40

With these three papers you can keep fully posted on County, State and National affairs. Without them, or some other good papers you cannot vote intelligently. And there is no paper besides THE REPUBLICAN that can keep you posted on Taney County affairs.

The offer concerning the Star is a standing one, good the year around. Our arrangement with the Globe-Democrat is only temporary and you must act at once if you wish to take advantage of it.

Whiskey Seller Arrested.

According to affidavits made by residents of the east end of the county a man named Tom Shirley has been running a blind tiger near Mc. Clurg. He came over the line out of local option Ozark county from where most of his trade also came.

The last grand jury found an indictment against him, and information was filed against him in two cases. Constable Dan Johnson brought him to Forsyth Saturday and turned him over to the county officers. Shirley thought that if he could get to friends in Ozark county he could give bond to appear at the next term of circuit court. Deputy-sheriff Newt Boles took him there Sunday and he had no trouble in making the bond.

Likewise Here in Taney.

Lay the jest about the julep in the camphor balls at last, For the miracle has happened and the olden days are past. That which makes Milwaukee famous doesn't go in Tennessee, And the lid in old Missouri is as tight-locked as can be. Oh, the comic paper colonel and his cronies well might sigh, For the mint is waving gayly and the South is going dry.

By the stillside on the hillside in Kentucky all is still, For the only damp refreshment must be dipped up from the rill. No'th Callina's stately ruler gives his soda glass a shove And discusses local option with the South Callina gov. It is useless at the fountain to be winkful of the eye, For the cocktail glass is empty and the South is going dry.

It's water, water everywhere—and not a drop to drink; We no longer hear the music of the mellow crystal clink When the colonel and the major and the gen'l and the jedger Meet to have a little nip to give their appetites an edge; For the eggnog now is nogless and the rye has gone awry And the punch bowl holds carnations and the South is going dry.

All the night caps now have tassels and are worn upon the head; Not the night caps that were taken when nobody went to bed; And the breeze above the bluegrass is as solemn as is death, For it bears no pungent clove-tang upon its odoriferous breath; And each man can walk a chalk line when the stars are in the sky, For the fizz glass now is fizzless and the South is going dry.

Lay the jest about the julep 'neath the chestnut tree at last, For there's but one kind of moonshine and the olden times are past. Now the water wagon rumbles through the Southland on its trip And it helps no one to drop off to pick up the driver's whip. For the mint beds maketh pastures and the corkscrew hangeth high All is still along the stillside and the South is going dry.

Saved at Death's Door.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine, Electric bitters, cured me. I regained the 40 pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme, 50c at A. H. Parrish.
